**Planning Execution:**

2024 Spring strategy on Bag Goods, Scotts 4-Step Program and Roundup

As we continue preparation for Spring, we wanted to share some insight on the promotional strategy for the Scotts program. The team continues to focus on goal to capture consumer spend early in the season; with an emphasis on regionally competitive deals during peak selling periods. We aim to bring more Ace Rewards consumers to Lawn and Garden and encourage cross category purchasing within the department. This derived from the insight that where consumers purchase Lawn & Garden for their first trip of the season, they will spend more of their Lawn & Garden dollars at that same retailer throughout the remainder of the season.

We will achieve this with motivation of these guiding principles:

- Bag Goods are the most common entry point into the category.
- o We will be repeating the 4/\$10 garden soil offer and have improved our mulch offer to 3/\$10 for two months
- Less is more when it comes to managing pallet SKUs. Instead of introducing different sizes/SKUs of similar items, we will promote common SKUs throughout the season making preseason ordering and in-season stock management simpler.
- o 2022 Season – 16 SKUs of soils/mulch pallets
- o 2023 Season – 11 SKUs of soils/mulch pallets
- o 2024 Season – 8 SKUs of soil/mulch pallets
- Simplify offer structure/price points
- o Shy of superhero offers, we're doing our best to keep retails as consistent as possible throughout the season.
- Shifting away from BOGA/BOGO offers and moving to simple price points and instant savings
- o Unless items are merchandised adjacently, we will not be using the BOGO/BOGA offer construct. These offers are too difficult to merchandise and resulted in lower than desired sales.
- All promotions with backend funding will operate like Instant Savings with weekly reimbursement and reconciliation reporting. No more manual credits months after you sell the product messing up your sales and profit reporting.

• And don't forget dropship is best way to buy!

## **Ace Brand 4-Step Program**

Given the success we saw during the 2023 Season, Ace will continue to advertise the Scotts 4-Step Program. Ace will not be advertising the Ace Brand 4-Step Fertilizer program, however, we are offering Instant Savings on individual Ace bags.

1. Scotts brand 4-Step sales make up about 80% of total 4-Step sales and we have only a few weekends to close the sale. We'd often see stores out of Scotts 4-Step over the weekend with plenty of Ace 4-Step programs still in stock. By focusing on one brand, it allows you to go deeper with stock without having to balance both the Scotts and Ace program inventories.
2. As a general rule, we try not to 'put the whole category on sale'. Having both the Ace and Scotts 4-Step programs promoted encourages customers to trade down.
3. Scotts has a very robust marketing plan to drive awareness and consideration for their fertilizers. The Scotts 4-Step program also helps differentiate Ace from the boxes and mass retailers.
4. While Ace fertilizer is a very good product (better than other private label fertilizers), Scotts is better. Each granule of Scotts fertilizer contains a balanced blend of active ingredients ensuring an even feed. We want our customers to get the best results and return year after year to create the best lawn on the block.

## **RoundUp Formula Update**

Scotts has begun their nationwide update to the next generation formula; with the exception of California where registrations are still pending. Promotions will start to focus on the new formulas while we discontinue the old formulas.

<b>Planning Execution:</b>	Review the spring promotions

## **STIHL Spring Promotions**

The STIHL offer window for spring will be April 15th through June 16th where STIHL will be advertising nationally. Ace will also match marketing efforts with in-store signage, circulars, acehardware.com, social media, and Ace Rewards direct mail and email.

Offers will be downloaded to begin on 4/15, so we match STIHL's national start date.

### **National Event Dates:**

- April Spring Event – April 17-30
- May BBQ Event – May 1-13
- May Memorial Event – May 14-27
- June Online Only – June 1-16

### **Promotional Execution:**

If we are able to align on starting retails with the 11 STIHL Distributors (watch ACENET for further details on promotions), an MIP sale retail in addition to MDP dollar off will be sent to your POS system via promotional hotsheet and available for pick up March 12th for April and April 15th for May. The MDP dollar off will require a barcode to be scan at the register which will be available in the monthly promotional sign kit and promotional execution guide.

**Retailer action needed before February 29th for April, March 31st for May and April 30th for June.**

**To simplify the execution of this promotion at retail, it will be critical to utilize the Ace SKU or make sure your STIHL SKU for these promotional items have the appropriate UPC attached to each item.**

For STIHL retailers who are not using Ace SKU or UPC doesn't match the hotsheet, instructions will be provided in the April Execution Guide on how to manually build the promotion in your system before the hot sheets are downloaded.

**If you are a legacy STIHL Dealer, Product Sync is required for these items to properly appear on Acehardware.com and within Google Shopping.**

Sign up for Product Sync to benefit from our online marketing efforts. Visit: ACENET> Marketing> Digital Marketing> acehardware.com> Product Sync
